

Plan the perfect day in Truro, Nova Scotia!

IDEA #3

mmm, the smell of fresh baked bread!

Start the day with a trip to the idyllic **Earltown General Store**. Past meets present in this quaint (yet totally packed) village general store. Enjoy fresh baked goods, locally made products and unique treasures, it is a must see in Earltown, NS.

MAPLE dreams...

Sugar Moon Farm is a working maple farm, woodlot and restaurant. Plan a hike through the woods to see the farm in action, shop for maple candy, syrup and souvenirs and don't leave without at least trying their world famous pancakes!

sand and sun

Finish the day watching the sunset at **Rushton's Beach Provincial Park** in Tatamagouche (Tata-ma-goosh). This beach offers sheltered picnic grounds and has some of the warmest ocean water in Nova Scotia with broad sandbars (great for exploring) at low tide!
